Cubs Introduce New Logo in 1997

The Cubs' new "walking bear" logo will play a prominent role in 1997.

The bear can be found on the left sleeve of the Cubs' home and road uniforms, on the front of the blue batting practice jersey, on turtleneck shirts and on team jackets. The royal blue bear is surrounded by a red "C".

HIGHLIGHTS IN CUBS HISTORY

In 121 National League seasons, the Cubs have played 17,816 games and have won 9,134 (154 were tied), both major league records.

1996: The Cubs set team records with their National League-best .983 fielding percentage and their league-low 104 errors.

- Sammy Sosa became the first player in Cubs history to hit 2 homers in an inning, accomplishing the feat May 16 vs. Houston (7th inning).

1995: The Cubs won their 9,000th game May 21 at Los Angeles, defeating the Dodgers 2-1 in 13 innings ... the Cubs have won more games than any other one-city professional franchise.

- Sammy Sosa hit the 10,000th homer in Cubs history August 14 in Los Angeles off Tom Candiotti.

1993: Sammy Sosa became the first player in Cubs history to record a 30-homer/30-steal campaign, finishing the year with 33 homers and 36 steals.

- Randy Myers recorded a N.L.-record 53 saves.

1990: Ryne Sandberg hit a league-high 40 home runs, the 3rd-highest single-season total for a second baseman behind the 42 hit by St. Louis' Rogers Hornsby in 1922 and Atlanta's Davey Johnson in 1973 ... the last time a second baseman led the N.L. in homers was in 1925, when Hornsby hit 39.

- Sandberg established a M.L. record by playing errorless ball in 123 straight games June 21, 1989-May 17, 1990.

1989: The Cubs won their second N.L. Eastern Division title when they defeated Montreal 3-2 at Olympic Stadium September 26 ... the Cubs compiled a 93-69 record under N.L. Manager of the Year Don Zimmer before falling in the NLCS against San Francisco 4 games to 1.

- for only the fifth time, teammates finished as the top two votegetters in the Jackie Robinson N.L. Rookie of the Year balloting ... Jerome Walton, who had a club-record 30-game hitting streak during the season, won the award, while Dwight Smith finished 2nd in the voting.
- Ryne Sandberg ended the season with a 90-game errorless streak, the longest ever by a M.L. second baseman in one season.

1988: The first Wrigley Field night game took place August 8 against Philadelphia ... the game was rained out after 3½ innings with the Cubs leading 3-1.

- the first official night contest took place August 9 vs. New York, with the Cubs winning 6-4 ... the first pitch was thrown by Mike Bielecki at 7:05 p.m., a called strike to Lenny Dykstra.

1987: The Cubs led the league with a club-record 209 home runs.

- Andre Dawson became the first player from a sixth-place team to be selected as the N.L.'s Most Valuable Player, hitting 49 homers and driving in 137 runs.
- on August 13, Hall of Famer Billy Williams had his No. 26 retired.

1984: The Cubs won their first N.L. Eastern Division championship when they compiled a 96-65 record under N.L. Manager of the Year Jim Frey ... it was the first time since 1945 that the Cubs advanced into postseason competition.

- the Cubs clinched the title in Pittsburgh September 24 ... Rick Sutcliffe beat the Pirates 4-1 on a 2-hitter.
- the Cubs lost to San Diego in the NLCS 3 games to 2.

1982: On May 25 at San Diego, Fergie Jenkins became the seventh pitcher in baseball history to record 3,000 strikeouts.

- on August 22, Ernie Banks became the first Cub to have his uniform number (14) retired.

1978: The largest Opening Day crowd at Wrigley Field — 45,777 — attended the April 14 home opener vs. Pittsburgh.

1970: Billy Williams became the first player in N.L. history to appear in 1,000 consecutive games, reaching that mark April 30 ... his streak extended to 1,117 games before ending September 3.

1960: Don Cardwell threw a no-hitter against the Cardinals in his Cubs debut May 15 ... became the first pitcher in baseball history to hurl a no-hitter in his first appearance for a club.

1958: Ernie Banks became the first member of a team with a losing record to win the MVP Award ... also was named the N.L. MVP in 1959, becoming the first N.L. player to win the award in consecutive seasons.

1945: The Cubs went to their 10th World Series, falling to Detroit in 7 games.

1935: The Cubs set their club record for consecutive victories in a season, winning 21 straight September contests in capturing the N.L. pennant.

1930: Hack Wilson established a M.L. record by driving in 190 runs while hitting a N.L.-record 56 home runs.

- the largest crowd to see a baseball game at Wrigley Field (51,556) occurred June 27 against Brooklyn ... of that number, 30,476 were Ladies' Day guests and 1,332 were passholders.

1921: William Wrigley Jr. became majority stockholder of the Cubs.

- Wrigley's involvement with the team began in 1916, when a 10-man syndicate — led by Charles Weeghman — purchased the club from Charles Taft ... in 1919, Wrigley purchased Weeghman's shares to become majority owner.
- after Wrigley's death in 1932, his interest passed to his son, Philip K. Wrigley ... upon Philip's death in 1977, principal interest in the ballclub was left to his son, William Wrigley.
- the sale of the club to Tribune Company in 1981 ended the longest continuous operation of a franchise by the same family in one city.

1916: The Cubs moved into Weeghman Park (now known as Wrigley Field).

1908: The Cubs were World Series champions for the second straight season, defeating Detroit 4 games to 1.

1907: "Cubs" was officially adopted as the nickname of the team ... the Cubs then went on to win their first world championship in a 4-game sweep of Detroit.

1906: The Chicago club set all-time M.L. records for wins in a season and winning percentage ... the team won 116 games (against 36 losses) for a .763 winning percentage.

1876: The first game in the history of the franchise took place April 25, as Al Spalding pitched the first National League shutout in the Chicago White Stockings' 4-0 win at Louisville ... centerfielder Paul Hines scored the first run on a throwing error in the 2nd inning.

- the first home run in N.L. history was hit by the White Stockings' Ross Barnes on May 2 in a 15-9 victory in Cincinnati ... the inside-the-park homer was one of only 40 roundtrippers hit during the N.L.'s initial season.
- the creation of the N.L. was credited largely to William A. Hulbert, who held the dual role of league president and Chicago president until his death in 1882 ... with the assistance of Albert G. Spalding, Chicago's first manager, Hulbert drafted the N.L. constitution and by-laws in 1875.
- of the eight original charter members of the N.L., only the Cubs have operated continuously in the same city.

THE HISTORY OF WRIGLEY FIELD

In 1997, Wrigley Field will be playing host to major league baseball for the 84th year.

Wrigley Field has been the site of such historic moments as:

- Babe Ruth's "called shot," when Ruth allegedly pointed to a bleacher location ... Ruth then proceeded to hit Charlie Root's next pitch in that vicinity ... the home run was hit October 1, 1932, during Game 3 of the World Series.
- Gabby Hartnett's famous "Homer in the Gloamin' " September 28, 1938, vs. Pittsburgh's Mace Brown.
- the great May 2, 1917, pitching duel between Jim "Hippo" Vaughn and the Reds' Fred Toney ... both Vaughn and Toney threw no-hitters for 9.0 innings before Cincinnati's Jim Thorpe (of Olympic fame) drove in the only run in the 10th inning ... Toney finished with a no-hitter.
- Ernie Banks' 500th career home run May 12, 1970, vs. Atlanta's Pat Jarvis.
- Pete Rose's 4,191st career hit, which tied him with Ty Cobb for the most hits in baseball history ... Rose singled off Reggie Patterson September 8, 1985.

Built in 1914, Wrigley Field is the third-oldest ballpark in the major leagues behind Detroit's Tiger Stadium (1912) and Boston's Fenway Park (1912).

Originally known as Weeghman Park, Wrigley Field was built on the grounds once occupied by a seminary.

- Weeghman Park was the home of Chicago's entry in the Federal League and was the property of Charles H. Weeghman, a wealthy restaurant-chain owner ... the club was known as both the Federals and the Whales.
- the cost of building Weeghman Park, which had a seating capacity of 14,000, was estimated at $250,000 ... the infield and outfield consisted of more than 4,000 yards of soil and four acres of bluegrass.
- the first major league game at the ballpark took place April 23, 1914, with the Federals defeating Kansas City 9-1 ... the first homer in ballpark history was clubbed by Federals catcher Art Wilson — a 2-run shot in the 2nd inning off Kansas City's Chief Johnson.

After the Federal League folded for financial reasons following the 1915 season, Weeghman purchased the Cubs from the Taft family of Cincinnati and moved the club to the two-year-old ballpark at the corner of Clark and Addison streets.

The first National League game at the ballpark was played April 20, 1916, when the Cubs beat the Cincinnati Reds 7-6 in 11 innings ... a bear cub was in attendance at the game.

- the park became known as Cubs Park in 1920 after the Wrigley family purchased the team from Weeghman ... it was officially named Wrigley Field in 1926 in honor of William Wrigley Jr., the club's owner.

The Wrigley Field bleachers and scoreboard were constructed in 1937 when the outfield area was renovated to provide improved and expanded seating ... the original scoreboard remains intact except for a few touches of modernization, such as the electronic message board.

- the score-by-innings and the pitchers' numbers are changed by hand ... the numbers signaling batter, ball, strike and out, along with "H" and "E" to signify hit and error, are eyelets.
- no batted baseball has ever hit the centerfield scoreboard ... two balls barely missed — a homer hit onto Sheffield Avenue (right-center) by Bill Nicholson in 1948, and one hit by Roberto Clemente onto Waveland Avenue (left-center) in 1959.
- one of the traditions of Wrigley Field is the flying of a flag bearing a "W" or an "L" atop the scoreboard after a game ... a white flag with a blue "W" indicates a victory; a blue flag with a white "L" denotes a loss.

The original vines were purchased and planted by Bill Veeck in September 1937 ... Veeck strung bittersweet from the top of the wall to the bottom, then planted the ivy at the base of the wall.

- the bleacher wall is 11.5 feet high ... the basket attached to the wall was constructed in 1970.
- Ernie Banks' uniform number (14) is imprinted on the flag which flies from the leftfield foul pole ... Billy Williams' No. 26 flies from the rightfield foul pole.

In 1988, Wrigley Field became the last M.L. ballpark to add lights.

- the first night game took place August 8 against Philadelphia, but was rained out after 3 1/2 innings.
- the first official night game occurred August 9 vs. New York, when the Cubs defeated the Mets 6-4.

Wrigley Field also has been the site of numerous construction projects since Tribune Company purchased the Cubs in 1981.

- new office space was created and old offices refurbished in the administrative area behind home plate in 1981-1982, while the ticket office was built directly behind home plate in 1983.
- during the winter of 1984, a new home clubhouse was completed under the third base stands ... the visitors' clubhouse was renovated prior to the 1990 season.
- in 1989, private boxes were constructed on the mezzanine level, formerly occupied by the press box and broadcasting booths ... a press box and broadcasting booths were constructed in the upper deck directly behind home plate, along with a larger press dining room at the press box level ... other park improvements included a food court and a permanent concession stand in the upper deck.
- following renovations in 1994 and 1995, there are now 63 private boxes.
- an elevator was added to the third base concourse in 1996.

SAVE RULE

Rule 10.20 tells the official scorer to credit a pitcher with a save when he meets all three of the following conditions:

(1) He is the finishing pitcher in a game won by his club.
(2) He is not the winning pitcher.
(3) He qualifies under the following conditions:
  (a) He enters the game with a lead of no more than three runs and pitches for at least one inning, or;
  (b) He enters the game with the potential tying run either on base, at bat or on deck, or;
  (c) He pitches effectively for at least three innings.

BLOWN SAVE DEFINITION

When a relief pitcher enters a game in a save situation and departs or the game ends with the save situation no longer in effect because he has given up the lead, he is charged with a "blown save."

If the save opportunity still exists when he leaves the game, he is not charged with a save opportunity.

If the pitcher has not given up the lead when he leaves the game, though the save opportunity may no longer exist because of added runs scored by his own team, he is not charged with a save opportunity.

Special waivers are irrevocable. They are required for a major league club to outright a player to a minor league club from September 1 until the 30th day of the following season.

Outright waivers are irrevocable. They are required for a major league club to outright a player to a minor league club from the 31st day of the regular season until August 31.

Unconditional release waivers can be secured at any point during the year.

CONSECUTIVE GAME STREAKS

A consecutive-game playing streak shall be extended if a player plays one-half inning on defense, or if he completes a time at bat by reaching base or being put out. A pinch-running appearance does not extend a streak. If a player is ejected from a game by an umpire before he can comply with the requirements of this rule, his streak shall continue.

A consecutive-game hitting streak shall not be terminated if all a player's plate appearances result in a base on balls, hit batsman, defensive interference or sacrifice bunt. The streak shall end if the player has a sacrifice fly and no hit.

- ❑ signed his first pro contract in July 1985 at the age of 16.
- ❑ his brother, Jose, once played in the Cubs' minor league system.
- ❑ devotes time to the Wyler Children's Hospital PIP Program in Chicago.
- ❑ enters 1997 needing 29 homers to reach the 200 mark for his major league career.
- ❑ has 142 homers as a Cub, the 10th-highest total in club history ... Andre Dawson ranks 9th with 174 home runs.
- ❑ has 76 homers since Opening Day 1995, the highest two-year total for a Cubs batter since Ernie Banks hit 86 roundtrippers in 1959 (45) and 1960 (41).
- ❑ is the only player in Cubs history to have a 30-homer/30-steal campaign, accomplishing the feat twice (1993 and 1995) ... as a matter of reference, the only other players in the Cubs' 121-year history to have a 20/20 season are Wildfire Schulte (1911), Leon Durham (1982) and Ryne Sandberg (1985, 1990 and 1991).

1996 Season ...

Sammy was well en route to recording one of the top power campaigns in Cubs history when his season was cut short August 20 ... finished the year with 40 homers, 100 RBI and a .273 batting average in 124 games.

- was leading the National League in homers when he was hit by Florida's Mark Hutton with the bases loaded August 20 at Wrigley Field ... ironically, that was his 100th RBI of the season.
- was placed on the disabled list August 21 with a fractured pisiforme bone in his right hand ... underwent surgery August 26 to have the fractured bone removed ... the surgery was performed by Dr. Dan Nagle.
- the injury snapped his consecutive games-played streak at 304 contests (July 3, 1994-August 20, 1996).
- in his final 62 games, he hit .310 (78-252) with 20 homers and 54 RBI.
- despite missing the Cubs' final 38 games, his 40 homers still tied for 5th in the league ... recorded the 12th 40-homer campaign in Cubs history.
- became the first Cub since the Ernie Banks/Billy Williams/Ron Santo era to have three 30-homer campaigns with the club.
- on May 16 against Houston, he became the first player in Cubs history to hit 2 homers in an inning ... led off the 7th inning with a homer off Jeff Tabaka ... later added a 2-run shot off Jim Dougherty in his second at-bat of the inning.
- recorded his first career 3-homer contest June 5 vs. Philadelphia ... his second homer of the game (off Terry Mulholland) was his 150th in the majors.
- along with his 3-homer game, he had a quartet of 2-homer affairs — April 17 vs. Cincinnati, May 5 vs. New York, May 16 vs. Houston and July 23 at San Francisco ... has 21 career multi-homer contests.
- drove in the game-winning run in the Cubs' final at-bat 6 times, including 3 game-ending homers (April 17 off Cincinnati's Johnny Ruffin; May 3 off New York's Paul Wilson; May 5 off New York's Jerry DiPoto).
- had 5-RBI contests June 5 vs. Philadelphia and July 23 at San Francisco, giving him 8 career 5-RBI games.
- had three 10-game hitting streaks in just over one month ... batted safely in 10 straight games June 11-June 20 ... after going 0-for-4 June 21, he had at least 1 hit in 10 consecutive contests June 22-July 3 ... after going hitless on Independence Day, he had another 10-game hitting streak July 5-July 18 ... over the 32-game stretch, he batted .328 (45-137) with 10 homers.
- was selected as the N.L. Player of the Month for July after batting .358 in 26 games (38-106) with 22 runs scored, 10 homers and 29 RBI ... became the Cubs' first N.L. monthly award winner since 1992, when Mike Morgan was selected as the league's Pitcher of the Month for May ... the last Cubs position player to win the N.L.'s Player of the Month award was Andre Dawson in May 1990.
- was the N.L.'s Player of the Week for July 22-July 28, batting .400 (12-30) with 4 doubles, 4 homers, 9 runs scored and 10 RBI ... it was the fourth time he won the N.L.'s weekly honor.

- the Cubs committed a National League-low 104 errors ... the team record for fewest errors in a full season was 113 in 1991.
- the Cubs played 90 errorless games ... the old mark of 88 was set in 1992.
- the Cubs played 9 consecutive errorless games September 9-September 19 ... the old mark for games without an error was 8, set several times.
- Scott Servais was hit by 14 pitches ... the old mark of 12 was set by Adolfo Phillips in 1966.
- Cubs batters were hit by 61 pitches ... the old mark was 47, set in 1966.
- Bob Patterson pitched in 79 games to set the club mark for a left-handed reliever ... the old mark of 76 was set by Mitch Williams in 1989.
- the Cubs allowed 7 homers July 12 vs. St. Louis, tying a club record.
- Cubs pitchers struck out 1,027 batters ... the team record was 1,024, set in 1987.
- Cubs pitchers surrendered 184 roundtrippers ... the only other season they allowed that many homers was in 1966 (184).
- Cubs batters struck out a club-record 1,090 times ... the old mark of 1,064 was set in 1987.
- the Cubs sent 5 straight pinch hitters to the plate September 20 at Pittsburgh, equaling a major league record.
- the Cubs were shut out only 4 times, tying a club record.
- Cubs batters had only 19 triples ... the team record for fewest 3-base hits in a season was 21, set in 1973.
- the Cubs did not start a left-handed pitcher all year, extending their club-record "right-handed only" streak to 421 consecutive games ... the last lefty to start for the Cubs was Greg Hibbard on September 29, 1993.

DIAMOND DEFENSE: The Cubs set team records with their National League-best .983 fielding percentage, their N.L.-low 104 errors and their 90 errorless contests ... individually:

- ***Rawlings*** Gold Glove Award winner Mark Grace was 2nd among N.L. first basemen with his .9971 fielding percentage, committing 4 errors in 1,371 total chances ... San Diego's Wally Joyner led the league at .9974 (3 E/1,151 TC).
- second baseman Ryne Sandberg ranked 2nd at his position with his .9908 fielding percentage (6 E/655 TC) ... Cincinnati's Bret Boone led N.L. second basemen at .9914 (6 E/702 TC).
- third baseman Leo Gomez led N.L. third basemen in fielding percentage at .972 (7 E/252 TC) ... ended the year with a 26-game errorless streak at third base and committed only 1 error in his last 57 games.
- rightfielder Sammy Sosa ranked 3rd in outfield assists with 15.

THE LEADERBOARD: The Cubs led the National League in fielding percentage (.993) and fewest errors committed (104).

- Mark Grace was 5th in the league in batting with a career-high .331 average ... it was his seventh N.L. Top 10 performance in 9 major league seasons.
- Grace also ranked in the N.L. Top 10 in multi-hit games (57), doubles (39), on-base percentage (.396) and hardest to fan (15.0 plate appearances per strikeout).
- Steve Trachsel was 6th in the N.L. in ERA at 3.03 ... it was his second time in the Top 10 in 3 seasons ... also ranked among the league's Top 10 in shutouts (2) and opponents batting average (.235).
- Jaime Navarro tied for 2nd in the league in games started (35) and ranked 4th in innings pitched (236.2) ... his 15 victories tied for 9th in the league.
- despite missing the final six weeks, Sammy Sosa tied for 5th in the league in homers with 40 ... also ranked among the leaders in slugging percentage (.564), home run ratio (1 homer every 12.5 at-bats) and outfield assists (15).
- Brian McRae tied for 6th in stolen bases (37).
- Bob Patterson ranked 2nd among relievers in appearances with 79.

AWARDS AND HONORS: Right-hander Steve Trachsel represented the Cubs at the All-Star Game in Philadelphia and pitched 1.0 scoreless inning in his first Midsummer Classic appearance.

- first baseman Mark Grace won his fourth Rawlings Gold Glove Award.
- outfielder Sammy Sosa was selected as the National League's Player of the Month for July after batting .358 in 26 games (38-106) with 22 runs scored, 10 homers and 29 RBI ... became the Cubs' first N.L. monthly award winner since 1992, when Mike Morgan was selected as the league's Pitcher of the Month for May ... the last Cubs position player to win the N.L.'s Player of the Month award was Andre Dawson in May 1990.
- Sosa also was the N.L.'s Player of the Week for July 22-July 28, batting .400 (12-30) with 4 doubles, 4 homers, 9 runs scored and 10 RBI ... it was the fourth time he won the N.L.'s weekly honor.
- outfielder Brian McRae was the N.L.'s Player of the Week for August 12-August 18, winning the weekly award for the first time during his career ... reached base 21 times, going 13-for-22 (.591) with 7 walks, 1 hit by pitch and 8 runs scored.

BACK-TO-BACK BLANKINGS: Steve Trachsel's 1-hitter May 12 vs. Houston (6-0 win) followed Jim Bullinger's 2-hit shutout of the Mets the previous afternoon against New York (3-0 victory).

- it was the first time Cubs pitchers had thrown back-to-back complete-game shutouts since the 1982 campaign, when Fergie Jenkins and Dickie Noles blanked Cincinnati in consecutive games July 9 (12-0) and July 10 (1-0) ... to put those dates in perspective, Ryne Sandberg was a rookie third baseman at the time of those shutouts.
- it also was the first time Cubs pitchers had gone the distance in consecutive games since Greg Maddux and Mike Morgan on September 30-October 2, 1992.
- Trachsel's complete-game 1-hitter was the Cubs' fourth of the 1990s (Jim Bullinger — August 30, 1992, vs. San Francisco; Jose Guzman — April 6, 1993, vs. Atlanta; Frank Castillo — September 25, 1995, vs. St. Louis).
- the combined 3 hits allowed by the Cubs in the 2 games was the lowest total for the pitching staff in back-to-back games since the 1971 campaign ... on June 3 of that season, Kenny Holtzman no-hit Cincinnati in a 1-0 win ... the next day, Fergie Jenkins threw a complete-game 3-hitter in beating Atlanta 11-0.

DOWN TO THE FINAL OUT: The Cubs played 8 straight 1-run games August 23-August 30 ... the club went 3-5 in those games, with 4 of the losses taking place in the opposition's final at-bat.

- since 1900, the only other time in Cubs history that the club had a longer stretch of 1-run games took place in 1906, when that team — known as either the Cubs, the Spuds or the Nationals — played 9 consecutive 1-run contests June 24-July 4.

NUMBERS GAME: The Cubs utilized 41 players during the season — 24 position players and 17 pitchers.

- 18 players were on the Cubs' roster for the first time (Barberie, Bottenfield, Brown, Campbell, Dorsett, Glanville, Fermin, Gomez, Houston, Jennings, Jones, Kieschnick, Magadan, Myers, Patterson, Shumpert, Telemaco, Valdes) ... the club's all-time roster now stands at 1,595 players.
- 12 rookies spent time on the big league roster (Adams, Brown, Glanville, Houston, Hubbard, Jennings, Kieschnick, Myers, Sturtze, Swartzbaugh, Telemaco, Valdes).
- 14 farm system products saw action (Adams, Brown, Bullinger, Castillo, Glanville, Grace, Hubbard, Jennings, Kieschnick, Swartzbaugh, Telemaco, Timmons, Trachsel, Valdes).

Did You Know?

The Cubs reached the double-figures mark in runs scored in back-to-back contests twice during the 1996 campaign.

On July 25-July 26 at Colorado, the club defeated the Rockies by scores of 10-8 and 17-4. On August 17-August 18 vs. Houston at Wrigley Field, the Cubs won by scores of 12-3 and 10-8. The Cubs had not recorded double-digit run totals in consecutive games since the 1993 campaign, when they beat St. Louis 13-3 on September 21 and 11-9 on September 22.

The last time the Cubs scored at least 10 runs in 3 straight games occurred in 1930, when they established a club record by reaching the 10-runs plateau in 5 straight contests June 1-June 6. The Cubs outscored their opponents 72-23 over the 5-game stretch.

Pinch Hitters Scoring Rule

A player shall be considered a pinch hitter only if he enters the game as a substitute batter and then only on his first time at bat, which must be before he becomes a fielder. If the team bats around and a pinch hitter comes up a second time in the inning in which he first appeared, he will not be considered a pinch hitter during that second time up.
